Wimberley Community Civic Club

Voted 2017 Non Profit of the Year by "Best of Wimberley Contest"

Growing from a group of 12 women in 1979, we are proud of our success and endurance to being one of the oldest charitable service organizations in the Wimberley area. The proven success of our fundraisers that attract visitors from all over Texas supports our future plans to continue and improve these activities, allowing our donations and scholarship awards to grow.

We are a recognized charitable non-profit organization with 501(c) (3) status with two purposes:

- To provide financial support to non-profit organizations within the Wimberley Valley that conduct non-partisan activities focused on improving our community and those who live in it.
- To provide scholarships to college-bound high school seniors attending Wimberley High School, Katherine Ann Porter School, or receiving education at home through a state-approved curriculum and residing within the Wimberley Valley.
