Dear Applicant:

Enclosed is an application for a scholarship from the Wimberley Community Civic Club (WCCC). The WCCC is very pleased to continue this tradition of offering financial aid to students with a record of achievement who need financial assistance to pursue their educational goals beyond high school. Your application will be considered whether you plan to attend a traditional university or a qualified non-traditional institution of higher learning such as a culinary or art institute or a trade school.

If you are interested and believe you are eligible, please submit the completed application to your guidance counselor (and no one else) by Monday, April 2. Applications that are late or incomplete will be disqualified immediately. In addition to the application, you must submit the following:

- A copy of your high school transcript certified by a school official
- A copy of the first page of your parents' latest income tax return, social security numbers blacked out
- Three letters of recommendation, at least two of which are from school personnel
- A resumé
- A brief essay discussing your academic and career vision, and how you plan to use this scholarship.

Financial need is the most important criterion for award of financial aid, so please be sure to explain why you need the scholarship to achieve your goals.

If you have any questions, please talk to your counselor. No one from WCCC may talk with you or your parents about the application.

Awards will be announced by May 11. If you are awarded a scholarship, you will have to comply with one more step: By August 15, you will be required to supply WCCC with proof of enrollment, such as a school ID or class schedule. If you fail to comply with that requirement, you will not receive the money. In addition, we request a report on how you are doing at the end of your first semester.

Good luck!
